

# ANNA'S NEWS

Brazil | USA | Sweden

## Brazil

It has been quite an experience the last months in Brazil. We have moved into a new place, sold some properties and paid off the new house. My sister and Anna are helping mom with everyday life. We began to take turns so one of us is always with her. She turned 80 in January and we had a wonderful celebration with family!

## USA - Atlanta area

I have been in Monroe, GA with Pete, Renata and little Daniel and have been blessed with their hospitality. I have visited friends, supporters and intercessors as well as spoken in the two churches that support me here in Atlanta. It has been a rich time of connecting, hearing from them, fellowshiping together.

## Sweden

I am hoping to go there in the coming weeks. Still in need of a ticket. I plan to visit friends, dear neighbors, re-connect with YWAM Restenas and a couple of churches, see the Vingren family (descendants of first missionary to Brazil. Also study and write!

## Teaching at YWAM Tyler, TX

### Multi-Cultural DTS

**This came as a surprise to me as a DTS speaker canceled and I was asked to come teach!**

## Visiting friends & supporters

This time has been so special to be able to connect and share more deeply about what is happening with me. Some asked if I have left YWAM and the answer is no. It will be 30 years this September that I joined YWAM. It will look a bit different now that I am part of the time in Brazil but still am able to travel, teach, help train others through discipleship, teaching, written materials, etc. I will be involved some with YWAM Brazil. This September I will be one of the speakers at the DTS workshop in Belo Horizonte, MG, where I worked in the 90's.

Thank you for being a part of my life in friendship and generosity!
